Re: United States v. Louis Ferreira
Crim. No. 04-677 (WGB)

Dear Judge Bassler:

My client sold his house and moved in with his mother. When he advised his Pretrial Services Officer, Donald Lesmeister, of the change Mr. Lesmeister pointed out that the conditions of bond required Mr. Ferreira to reside at his old address. Mr. Ferreira did not recall that that was a condition of bond and believed it would be no problem for him to move from one address to another within the Southern District of Florida.

I have spoken with Mr. Lesmeister and he advises that he has no objection to the move except to the extent that it is not consistent with the conditions of bond. He suggested I apply to the Court for an amendment of the conditions. Therefore, I am requesting the Court to enter an Order amending the conditions of bond to permit my client to reside at the residence of his mother at 1937 N.E. Fourth Street, Deerfield Beach, Florida 33441. Assistant United States Attorney Stacey Levine has advised me that she has no objection to the entry of such an Order.

I have enclosed a proposed Order amending the conditions and would request that the Court enter the Order on the docket as soon as it is convenient.

Bond was set before my appointment in this case. I have now gone over the conditions of bond with my client to assure that there will be no other violation, technical or otherwise.

Respectfully submitted,
